Note: For the benefit of the general public the pages of the "Ottawa 82 Papers and Reports" were numbered from 1 onwards; in fact those Papers and Reports constitute issue 3/4 of Reformed World volume 37. For that reason the index of volume 37 shows pages in italics (1 to 187) which refer to the issues 1 and 2, i.e. March and June 1982, and pages in roman type (1 to 320) which refer to the issues 3/4 to 8, i.e. Sept. 1982 through December 1983.
We thank our readers for patiently putting up with this slight disadvantage which, on the other hand made possible a wider distribution of the issue containing General Council 82: Papers and Reports.
